TERMS AND CONDITIONS

Your download or display of the database of gene sets known as Molecular Signature Database ("MSigDB"), or any component thereof, found at http://www.broad.mit.edu/gsea/msigdb/msigdb_index.html, is personal to you as an individual and is limited to one single user to copy, display, and use for internal research purposes only. You do not have the right to sublicense or distribute MolSigDB, in whole or in part, without prior permission from MIT.

No further rights are conferred upon You by implication, estoppel, or otherwise to any computer software, database, trademark, intellectual property, or patent rights of MIT, or any other entity, except as expressly granted herein. You agree never to use MolSigDB as the basis of a commercial software or hardware product and that the same shall not be rewritten or otherwise adapted to circumvent the need for obtaining a license for use of MolSigDB other than as specified herein. You agree not to put MSigDB on a network, server, or other similar technology that may be accessed by any individual other than You.

You acknowledge that title to MolSigDB shall remain with MIT. Should You incorporate any data from MolSigDB into any software or database, you must retain, to the extent MolSigDB is marked with a MIT copyright notice or notice of attribution to contributors, such notice.

MolSigDB IS DELIVERED “AS IS.” MIT MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND CONCERNING MolSigDB, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NONINFRINGEMENT, OR THE ABSENCE OF LATENT OR OTHER DEFECTS, WHETHER OR NOT DISCOVERABLE. MIT EXTENDS NO WARRANTIES OF ANY KIND AS TO MolSigDB CONFORMITY WITH WHATEVER USER MANUALS OR OTHER LITERATURE MAY BE ISSUED FROM TIME TO TIME.

IN NO EVENT SHALL MIT, OR THEIR RESPECTIVE TRUSTEES, DIRECTORS, OFFICERS, EMPLOYEES, AND AFFILIATES BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND, INCLUDING, WITHOUT LIMITATION, ECONOMIC DAMAGES OR INJURY TO PROPERTY AND LOST PROFITS, REGARDLESS OF WHETHER MIT SHALL BE ADVISED, SHALL HAVE OTHER REASON TO KNOW, OR IN FACT SHALL KNOW OF THE POSSIBILITY OF THE FOREGOING.

If, by operation of law or otherwise, any of the aforementioned warranty disclaimers are determined inapplicable, Your sole remedy against MIT, regardless of the form of action, including, but not limited to, negligence and strict liability, shall be replacement of MolSigDB with an updated version, if one exists.
